LAVENDER NATURAL PREMIUM SPA TREATMENT

STEP 1 - SOAK

LAVENDER BATH

Breathe in the calming scent of lavender to help lower stress levels. Our targeted formula helps you relax while detoxifying your skin.

STEP 2 - EXFOLIATE

BAKING SODA MIRACLE SCRUB

This scrub is gentle on your skin, unwanted dead skin cells and grime. Pure Baking Soda particles and special vegetable extracts deodorize, neutralize, and cleanse your skin as well as stimulate blood circulation.

STEP 3 - REHYDRATE (SPA MASK)

LAVENDER MUD

The active ingredients in our velvety-soft mud tighten pores and gives skin resilience. The mud moisturizes and rehydrates dry and calloused skin while calming ingredients help soothe and relax your entire body.

STEP 4 - MOISTURIZE & REPAIR

LAVENDER MASSAGE CREAM

Lavender Massage Cream is an intensive hydrating treatment that stimulates younger and healthier skin. Its non-greasy, fast-absorbing formula will help ease stress and anxiety.

LAVENDER NATURAL PREMIUM SPA TREATMENT

This premium kit includes everything you need for a complete Lavender Spa Treatment.
